

## The Way Back to Wonder - Week 7 - The Eternal Plan...Before Time Began

Remember -

1. What did Pastor Travis share that he believes changes everything about the meaning of Christmas?
2. Why isn't Christmas the solution for our problems?

Read -

Ephesians 3:1-10

Discuss -

1. How were you impacted by Pastor Travis sharing that Christmas began in eternity past as an intention to be with us not as a last minute decision to save us from our sin?
2. What does it mean for you personally that God moved toward you before you knew you needed Him?
3. How is salvation more about presence than it is sin?

Apply -

1. How and where do you need to experience God moving toward you this week?
2. What perspective shift will you make this week to begin to see God with you instead of just saving you?
3. What will change about your week if you truly believe and accept that your story is an intentional part of a much bigger eternal story?

Pray -

Leader, pray for your group and ask God to help them with the applications they shared.
